

Our Franchise Opportunity

Welcome!

Thank you for showing an interest
in a BabyBallers Franchise

How It All Started

A Dad looking for football sessions for his son...

It was in 2015 when Rich was looking for football sessions for his two year old son, Fletcher. The local football groups around didn't offer much more than children running everywhere and coaches trying to get two year olds to dribble a ball around a slalom of cones with their feet... Never was going to happen...

The idea of BabyBallers came to life, 35 to 40 minute sessions designed to keep children engaged, to encourage the use of hands and feet, and to put an emphasis on learning through play though the use of shapes, colours and even numbers.

As Fletcher grew so did BabyBallers, therefore identifying the need for more classes. BabyBallers now operate with 3 classes, **BabyBallers, MiniBallers & Ballers.**

Since 2015, BabyBallers has become a proven profitable franchise model and has over 50 clubs operating within the south of the UK and clubs now operating in Belgium.

Gaining recognition on national television, endorsements from ex-professional footballers and celebrities alike.

We are in the perfect place to allow you to build your own profitable BabyBallers franchise so we look forward to you reading more information and getting in touch.

What we do **best**

BabyBallers offers football and child development sporting activities for girls and boys aged 16 months to 5 years of age.

We believe in **learning through play** and we know that our classes can help your children get ready for their future lives at school and beyond

**“The Class Has Brought Out So Much
Confidence In My Child”**

Our Growth

2017

The popularity of the class in South Woodham allowed Rich to open other clubs in 2016. He then looked into the possibility of franchising the brand in the beginning of 2017. By December BabyBallers had 7 clubs up and running with two franchisees added to the BabyBallers Family.

2019

The start of 2019 was jam packed, the brand featured on the ITV hit show 'Billie & Sam Faiers Mummy Diaries' and interest sparked even more from our appearance.

The second Charity Match was even bigger and better from the previous year as we took the fundraising total up to over £8000!

Growth of the franchise continued as we ended 2019 with 46 clubs & expanding the franchise into Dorset.

Now

Is it time that you took advantage of our franchise model and start your very own BabyBallers franchise?

2016

In 2016 the first class in South Woodham Ferrers started. A small class with no systems, just a football session for Fletcher and his friend to really enjoy.

2018

2018 became a fast growth year expanding the franchise model with 28 clubs, venturing into East London, Kent and Hertfordshire.

This year was the inaugural year of the Charity Match where we raised over £4000 for a local children's hospice, Little Havens and had support from professional, ex-professional and celebrity stars.

2020

In January, BabyBallers not only opened classes in Brighton, Horsham and further parts of Kent, Bobby Baller and the brand went across the pond to Belgium!

The first class in Belgium is in a township called Mouscron and is growing every week, proving that the franchise model works outside of the UK.

We expect to end the year with over 65 clubs operating across the UK and Belgium.

"My little boy had his first days trial today at Baby Ballers and loved it. The guys are very enthusiastic with the children and the kids all had lots of fun. My little boy keeps asking to go back. Thanks so much guys."

Rayleigh Parent

"My little boy was one of the youngest in his class now after 4 months I've really seen him grow in class, the coaches are so encouraging and fun, with lots of different colour, co-ordination and team activities. Him and dad look forward to this class every week (sometimes I don't know who more though). So welcoming I love watching these classes."

Maidstone Parent

"Couldn't recommend BabyBallers Ferndown enough. Harley has improved so much since joining back in August. Enjoyable & active sessions."

Ferndown Parent

"Since starting at BabyBallers my son has grown in confidence and his gross motor skills including his kicking have improved immensely. The activities have also helped with colours and shapes and my son can't wait to get his sticker and high five reward at the end! The coaches are fab & so patient with the children they encourage them every week and never stress when it doesn't always quite go to plan! Cannot recommend enough!"

Rainham Parent

"Ellie is 18 months and has only started this term but she has already grown in confidence. She has learnt to kick a ball into a goal, follow instructions (she now automatically sits on the line). I have also noticed that she knows the whistle means stop (I might get one for home) and she just loves seeing the other children and claps every time they score a goal too. Thanks BabyBallers!! You make my days off with her on a Friday something special that we can share together. Highly recommend."

Chelmsford Parent

"Harry is coming to the end of his first term at BabyBallers and is absolutely loving it. Each week we can see his progression and his listening and taking instructions from others has made a great improvement."

Ebbfleet Parent

Franchisee Testimonials

"I've been a franchisee now for just over 2 years, initially I got involved because I had savings and saw it as an opportunity to put them into something which would be more profitable than sitting in a savings account.

I quickly grew to love my little business and decided to take it on full time, it was the best decision I could of made.

I'm now my own boss but also have the support of head office if I need any help or have queries, it's a win win. I love meeting my new children and parents but also love seeing my regulars each week, the business to me is so rewarding and has so much to offer.

For me it's given me more time that I wouldn't of got in an office job and allowed me to focus on something I am passionate about."

Shantelle Gamble, Multi-site franchisee

"Becoming a BabyBallers Franchisee has been a really positive decision for me and my partner. It has provided an excellent second income for us without taking up a huge amount of our time.

Over time my aim will be to run my BabyBallers franchises full time, providing a strong income for my family and a really positive work life balance.

BabyBallers provides an opportunity to interact with the little ones and parents and it feels great to develop a real community feel within each club."

Matthew Piggott, Multi-site franchisee
